

Halls of Residence of University of Pardubice

Halls of Residence of University of Pardubice are located in the center of the University Campus. Hall of Residence can offer high standard, clean, comfortable accommodation suitable for graduate and mature students.

Plan of the University Campus: <http://www.upce.cz/english/contacts-map/campus.html>

It is important to note:

Bed capacity of Halls of Residence is approximately 1 600 beds. Persons wishing to be accommodated must specify what they prefer and how long they want to be accommodated. Actual free rooms allocated will be allocated by reception.

Ranges of accommodation:

- Accommodation for short time
- Individual accommodation
- Accommodation for all academic year with fixed start and end of accommodation

For guests which prefer **accommodation for short time** and they will be accommodated only for a few days: it is important to have a reservation for accommodation – if you are interested in accommodation, you must write an email to ubcentrum@upce.cz with your request.

Individual accommodation and **accommodation for all academic year** is designed primarily for foreign students/employees of the University.

Types of rooms (accommodation for short time):

A) HOTEL

- **Studio HOTEL** (Studio includes hall (in hall is toilet and shower) and two rooms -> first room has only 1 bed; second room has two beds)
- **Studio STUDENT** (Studio includes hall with toilet, bathroom, fridge and microwave oven, and two rooms (every room has 1 bed))
- **Apartment HOTEL** (Apartment includes kitchen (fridge, cooker, microwave oven), two beds, toilet and shower)
- **Apartment ++ HOTEL** (apartment ++ includes hall with toilet, shower, kitchenette with fridge; living room, bedroom with matrimonial bed)

B) HOSTEL

- **Room CLASSIC** (double room; toilet, shower and kitchen are shared on the corridor)
